

Third international workshop on interim-PET in lymphoma

Menton (France), Palais de l'Europe,
September 26-27th, 2011

Take home messages

- The results of the meeting will be published very soon on Leukemia & Lymphoma
- A consensus has been obtained on several points (DEauville rules for HL, quantitative assessment “Menton rules” for DLCBL)
- The general organization of the meeting with a poster session was appreciated
- We decide to run the forthcoming meeting every 2 years intercalated with Lugano meeting
- Next meeting will be held in Menton, October 4-5 2012
